

## CHASTAIN TO DRIVE FOR BOLEN MOTORSPORTS FOR THE NEXTERA ENERGY RESOURCES 250 AT DAYTONA INTERNATIONAL SPEEDWAY-

**CHARLOTTE, NC, FEBRUARY 20, 2017** Ross Chastain will pilot the #66 Rugged Cross Blinds Chevrolet when the team arrives in Daytona later this week. Chastain last saw action with Bolen Motorsports on the "High Banks" of Talladega where he finished 15th. The #66 Entry will feature the Rugged Cross blinds brand as well as Realtree's Xtra camo pattern for the Daytona event. Also joining the effort will be Waterfront Services, Inc., a general contractor based in Southern Florida.

**Rugged Cross Blinds** builds custom hunting blinds constructed from high quality materials that offer hunters 360 degree unobstructed views during their hunt. The company manufactures and distributes hunting blinds that provide the hunting enthusiast with a tool like no other. *"We are excited to bring one of the coolest hunting products that I have seen in some time to the NASCAR fans."* said Team Owner, Jeff Bolen. *Having them on board along with the Realtree Xtra paint scheme is pretty cool."*

The team will also welcome **Waterfront Services, INC**, their guests and employees to Friday nights event.

Bolen Motorsports heads to Daytona this week in preparation for the NextEra Energy 250; **Watch live on Friday, February 24th at 7:30PM on FS1**
